### **Supporting the Puppet Lab through Gift Aid**

For over twenty years, the Puppet Lab has been delighting children and adults with its beautifully crafted and imaginative productions. Last year, 35,500 people took part in a Puppet Lab event and we have a wonderful range of projects planned for 2006, encompassing touring children's theatre and innovative adult puppetry, as well as ambitious community arts projects.

Our touring productions bring top quality theatre to remote communities and areas of urban deprivation where children and families tend to have very limited access to the arts. For many in our young audiences, the Puppet Lab's visit is their first exposure to professional theatre, and a truly magical, memorable experience.

**Yet, despite our popularity and successes, we do not receive any core funding and constantly need to look for new sources of support to keep our projects running.**

**By making a donation to the Puppet Lab, you can help us to keep on spreading the magic!**

Since the Puppet Lab is a registered charity, the value of your gift can be increased by 28% under **The Gift Aid scheme**. On your behalf, we simply claim back the tax from the Inland Revenue.

Therefore: -

We are asking all who can to **Gift Aid the Puppet Lab £150.00** this money will actually be worth an amazing £192.00 to us when we've claimed the tax back on it.

You claim the gift as Tax deductible and we get the benefits of an amazing deal that will make a real difference to us in helping covering the costs of our future productions and events.

100 people Gift Aid The puppet Company would cover our running costs which are 6% of our total budget.

Please fill out the form and make a cheque payable to The Puppet Lab.
